Silver Sponsors

National Down Syndrome Society

The National Down Syndrome Society empowers individuals with Down syndrome and their families by driving policy change, providing resources, engaging with local communities, and shifting public perceptions.

LuMind IDSC Foundation

Founded by families in 2004, LuMind IDSC serves as a bridge between the Down syndrome community and researchers. We bring critical research-related information directly to the Down syndrome community, connect families to research opportunities, and advocate for meaningful policy changes to address and solve systemic inequity in healthcare access.

NEEDS

needs. We have been working with families like our own to plan and invest for their future for more than 30 years. As fiduciaries, we invest your money to work toward meeting your needs and achieving your goals.

Research Sponsor

The Alana Down Syndrome Center at MIT

The Alana Down
Syndrome Center aims
to deepen knowledge
about Down syndrome
and to improve health,
autonomy and inclusion

of people with this genetic condition. The ADSC is multi-disciplinary, spanning labs and programs across MIT, and engages the expertise of scientists and engineers in a research effort to increase understanding of the biology and neuroscience of Down syndrome. The greater mission is to produce research and technology to give people with disabilities the possibility of developing greater social and practical skills, in order to enhance their participation in the educational system, in the workforce, and in community life.

Down Syndrome Affiliates in Action

is a national organization whose members include local, state, and regional Down syndrome. Our mission is to create a network of Down syndrome organizations and empower them with the resources to better serve their communities.

organizations. Our ability to engage leaders, encourage individuals with Down syndrome and their families to participate in research, and inform our audience about new research developments put DSAIA in an excellent position to partner with research organizations and has established our voice in the national Down syndrome community.

Fletcher Tilton PC Attorneys at Law

Fletcher Tilton works with families to explore a variety of decision-making

options for a family member with an intellectual disability. Special needs encompasses a range of strategies from establishing special needs trusts, deciding between guardianship versus supported decision-making agreements, and advocacy regarding eligibility for services and group home care.

Wellesley Toyota

At Wellesley Toyota we are a family-owned President's Award-winning Toyota dealer on Route 9 in Wellesley, MA, just minutes off of Route 95. You'll know us when you see our state-of-the-art

dealership, which also happens to be the first dealership in New England to have attained LEED (Leadership in Energy & Environmental Design) Silver certification! Since 1989 we have matched drivers from Greater Boston and Metro West with the new Toyota or pre-owned vehicle that suits them best. With plenty of vehicles in stock, we sure to have the vehicle you want. We truly enjoy helping people select and maintain their Toyota vehicles. Our service department is committed to providing top-quality maintenance and repair services for all makes and models. Our service staff's stellar reputation brings loyal customers from all over the state for everything from routine oil changes to complex repairs. Give us a call at 781-237-2970 or visit us online at WellesleyToyota.com!
